## Visitation Numbers

The National Park Service's Social Science Program coordinates the collection of visitor use statistics for more than 400 national parks throughout the year. Official statistics are traditionally reported during the first few months of a new year. [Learn more about visitation statistics](https://www.nps.gov/subjects/socialscience/visitation.htm) (<https://www.nps.gov/subjects/socialscience/visitation.htm>) collection and find official reports by the National Park Service. Use the [NPS Stats database](https://irma.nps.gov/STATS/) (<https://irma.nps.gov/STATS/>) to find national summaries, additional data and reports for individual parks, and data for past years.
